Bachelor of Technology (Computer Science)
Vindhya Institute of Technology and Science, Satna

Objective

Crafting code with precision, I merge technical prowess and creativity to engineer software marvels, elevating user experiences and fostering seamless collaboration in dynamic work environments.

Education

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
B.Tech.	Vindhya Institute of Technology and Science	8.08(Current)	2020-Present
Senior Secondary	MP Board	75.6%	2020
Secondary	MP Board	91.4%	2018

PROJECTS

- **Online book Store:-** *July-2022*
  - ❖ Sell secondhand books is a web app.
  - ❖ This includes user accounts, book search, cart, Order history, and seller Dashboard.
  - ❖ Tools/technology used – **HTML,CSS, JavaScript,PHP**
- **Medicare:-**
  - ❖ Medicare is a platform connecting accident victims in rural areas with nearby doctors provide first aid treatement.
  - ❖ Transporting patients to hospitals,saving lives and Improving health outcomes.
  - ❖ This site contains registration for Patient, user account, a list of Doctor, Doctor Dashboards.
  - ❖ Tools/Technologies used – **HTML, CSS, Javascript, PHP**
- **Memory file system:-** *April 2023*
  - ❖ Memory file system command-line interface (CLI) to support various functionalities like mkdir,cd,touch,grep,echo,cat,mv,cp,rm.
  - ❖ Tools/technologies used – **Node.js**

- **Live-Talk App:-** *Aug 2023*
  - ❖ Communication between 2 people and more people.
  - ❖ This site contains a user account and a chat box, related to the chat app
  - ❖ Tools/ technologies used– **React.js, Node.js, Express.js, MongoDB, Socket.IO**.

Technical SKILLS

- **Programming**: Java, C++.
- **Web technologies**: HTML, CSS, ReactJS
- **Server**: Node.js, Express.js
- **Database**: MongoDB,SQL
- **Tools**: VS Code, git and GitHub, Web tools.

Training/Internship

- – Training on Java. *June-2022*
- – Training on MERN Stack technology.
- – DSA fellow at next leap.
- – Complete a Full Stack internship At Achintya Solutions (6 months). *June-nov 2023*

Achievements

- – **1st** Rank ☆ in Inter Collage Hackathon.
- – Participated in Satna hackathon 1.0.

Hobbies

- – Coding
- – Learning New technology
- – Listening music
